Located in a quiet street close to the local school, is this split level, country style property featuring stone look splitface bricks with heritage red decorative corner quoins. Set on a large 1349m², slightly sloped, fenced block is this tiered property with retaining timber/stone walls and featuring a nice, large lawn area, mature trees and rose gardens.

The home was built in the 90's and has been well maintained. The decor throughout is mostly painted in soft shades of cream and there are blackbutt timber floating floors throughout. There are both formal and informal living areas that are spacious, functional and bright. The open plan timber edged kitchen boasts a large island bench/breakfast bar which is perfect for the kids to eat breakkie whilst you whiz around the kitchen. It was updated recently with a stainless steel builtin oven, rangehood and gas hotplates and it also has a Bosch dishwasher. Off the
