

28 Plummer Street Googong NSW

3  2  2 

This stunning terrace home has a unique floorplan that soaks up the natural light in each and every room.

The decor throughout is ultra modern with palettes of whites and grey earthy tones. White plantation shutters complement the style perfectly whilst at the same time providing additional insulation to the home in both Summer and Winter.

Downstairs you'll find the spacious, tiled open plan living and dining area with air conditioning.

The open plan kitchen is simply stunning and offers plenty of cupboard space and island bench top/breakfast bar.

The stainless steel appliances include under bench oven, rangehood, gas hotplates and Bosch dishwasher. There's a
